Money Matters

The surgeon and anaesthetist will both ‘bulk bill’ you through Medicare for their services. There is also however, a clinic/theatre fee. The staff will notify you of the amount of this fee when you make your booking. We accept Cash, EFTPOS, Visa or Mastercard.

Things to bring with you

- Current Medicare card
- Health Care card, Pension card, if any
- Your Doctor’s referral letter, if any
- Blood Group report, if any
- Ultrasound report, if any
- All your current medications
- Clean Underwear
- A packet of adhesive sanitary pads... not panty liners
- A supportive adult friend to accompany you home

Things to avoid

- Do not eat or drink anything from midnight before your operation, including water
- Do not wear makeup or nail polish
- Do not bring valuables including jewellery
- Do not plan any other appointments for the day
- We advise against using public transport after your operation

About your Anaesthetic

An experienced anaesthetist will be looking after you.

Your anaesthetic will be discussed with you before your operation.

If you are Insulin or Steroid dependant or have any serious illness, please let us know at the time of making your booking.

At the Clinic

You will be given information outlining your operative procedure and anaesthetic.

Your medical history will be reviewed.

You are able to freely discuss your decision and concerns.

Your stay in the centre will last approximately for 3-4 hours.

Postoperative care and advice will be provided.

Interpreter Service – If you are unable to bring an Interpreter with you we can arrange this prior to your appointment.

Please do not bring small children to the clinic.
